DIXIELANDER FALL RALLY – October 4-7, 2012

City Park, Colquitt, GA 39837

OVERVIEW: The highlight of this rally is the 20th anniversary performance of Swamp Gravy, the Official Folk-Life Play of Georgia. Its business is storytelling! True local stories are spiced up with songs written by local musicians and costumes of an era gone by. It's a helpin' of down-home Southern flavor. Not just a "local hoe-down", it has been performed at the Kennedy Center and other locations to great acclaim.

We have 40 tickets reserved but they must be paid for or returned by 15 August. If handicapped seating is needed, I will try to make those arrangements; you will have to let me know as soon as possible.

Additionally, Colquitt has a very rich and interesting history with many places to visit. Colquitt is on US 27, 60 miles North of Tallahassee, FL. We will be staying in the City Park, within walking distance of almost everything in town, including the town square and the theater.

The large commercial RV park where we planned to stay has been closed. Therefore, we have reserved Colquitt's Spring Creek RV park, and obtained permission to park in the adjacent City Park. The RV park has only 7 sites, all with full hookups, at \$15 per night. The City Park has a large level paved parking lot, with restrooms, a small covered pavilion, and a nice boardwalk leading through the swamp to the creek. There MAY be some 15A electrical connections but no other hookups. There will be no charge for dry camping there – just leave it cleaner than we find it. The weather in early October should be pleasant enough for dry camping. There will be no generator restrictions imposed. Dumping can be done in the RV park if necessary.

We will reserve the RV park for those whose physical condition requires hookups; if those individuals do not reserve all of the 7 sites, the excess will be available to others in the order their registrations are received.

Spring Creek Park is located at the western city limits of Colquitt on US-27, just east of Spring Creek. The street immediately east of that park leads to the City Park; GMCDL signs will be posted.
