Notes from the President:

Jim Walters

I'm still enjoying the after glow following the Perry Rally. Is it just me? It seems each rally just gets better and better! We had 29 coaches and approximately 64 people in attendance. And how about our hosts, the Chambers and Holloways. They sure raised the bar this time! If I use personal weight gain as a barometer by which to judge the rally, this was at least a five pounder!! I'm still marveling at how a \$20 rally fee could be stretched so far! Great weather (it only rained early one morning), great friends and great food. Life doesn't get much better.

And wasn't it great having with us four of our newest members; Brian and Sandy Burroughs and their young daughters from Lawrenceville, GA, Westley and Helen Chalk from Pensacola, FL, Bruce and Gayle Ferguson from Franklin, TN and Bobbie and Vickie Gray from Brighton, TN. At a time when the RV industry is experiencing financial woes and RVing in general is in a downward slump, its wonderful to see the GMC coach gaining in popularity, especially among the younger generation. Back to the future?

Thanks to all who contributed to making our Fall Rally a great success. Already I'm beginning to look forward to the January rally at Lazy Days.

Lastly, I would like to extend my heartfelt thanks to all of you who over the last four years have made my job as VP and President an easy task. I appreciate all of you and thank you for allowing me to serve. I think it was Ken Henderson who once said " GMC Dixielanders aren't a club, they are a cult!" I wouldn't go that far. But, in my opinion, while we may be a club, we function like a large extended family with rallies that more closely resemble family reunions than club meets. And the family keeps growing and the rallies keep improving.

As I step down as President and the gavel is passed to Jeanne Slaten, please join with me in making her job easy by volunteering when needed and never failing to let her know she is appreciated.

Jim Walters
