Notes from the President:

Jeanne Slaten

Happy New Year!

It is an honor to have been elected as your president for the year 2010. I realize that I have my work cut out for me as I try to continue the efforts of our former presidents to keep our club something special. All suggestions will be considered and will be greatly appreciated.

I wish to welcome all new members to the GMC Dixielander family. We are a dedicated group of wonderful people with an immense variety of backgrounds, skills and interests. It is with the most gracious Southern hospitality that we welcome you to the camaraderie of the GMC Dixielanders.

I also want to encourage all members to consider hosting a rally, holding an office, or otherwise getting involved with our club functions. The club usually schedules three rallies per year. This is fortified with a couple of no-host, impromptu rallies and a strong showing at the two GMC Motorhome International Conventions in the spring and fall. JR is currently serving his last year as the president of GMCMI. We are looking forward to seeing you at the April 29-May 2, Dixielander rally in Bean Station, Tennessee, which is hosted by Al and Marti Samsel and co-hosted by JR and I, or maybe seeing you at the March 19-25, International Convention in Montgomery, Texas. It is well known that the fun doesn't start until the Dixielanders arrive, so get your reservations sent soon!

A relaxing, joint rally with the GMC Alumni Club, was held at the Lazy Days RV Resort in Seffner, Florida, from January 11-14. There were approximately 35 Dixielanders in attendance, who were treated to catered breakfasts, lunches and suppers, and different entertainment groups each night. The weather was a little chilly and the bands were a little loud, but everyone seemed to have a great time. Since it was a no-host rally, with no special agenda, there was no need to hold a General Business Meeting. We will be joining the Alumni Club at Lazy Days) again in January, 2011. Carl Tompkins, Rallymaster of the Alumni Club, has made reservations and more information will be sent to our newsletter editor at a later date. (Information for the Dixielander's Summer and Fall rallies will also be included in a future newsletter.)

Thanks again for your support. If you need anything, please feel free to contact me either by phone: 502-930-4703, or by email: ajeannes@aol.com
Take care; travel safely, Jeanne

Sadly, we have to inform you of the passing of Cecil Miller. The note below from Allen Martin sums up many of the details and provides a short bio on Cecil's life. Just prior to receiving Allen's note we had gotten a note from JR Wheeler forwarding an email from Cecil's wife, Pat. She pointed out that his battle went on for 14-months. Also, that she was with him to the end. He was at the Kate B. Reynolds Hospice Home and the transition was peaceful and he did not suffer. Although Cecil is now at rest, Pat, his wife of 49 years, will continue to suffer the pain of his loss. Please join us in praying for her during this very trying time in her life.

Judy and Flic

Notes from the Editor: You will notice in this issue the photos have been provided for your enjoyment by Flic Acosta. I hope that Judy pointed out some of the good ones. Sending me photos is the easiest thing to do and will get you in the newsletter. As always, I am looking for stories, ideas, etc that will help you enjoy both your GMC and your club, The Dixielanders. We are 152 members strong, as of this writing, so we must be doing something right. Everyone knows that Bean Station is the rally to attend, and this is one case of Dixielanders first. The reservation cut-off date is April, 20, so get it in the mail. With any kind of luck, I'll see you there. Tom Phipps

LAZYDAYS RALLY, 2010

As usual, the annual Lazdays rally was great. Our weather, however, was not the greatest that we have experienced in Florida. The rally itself ran from the 11th through the 13th of January. The temperatures were uncommonly cool for this time of the year in Florida requiring the use of jackets much of the time during the day and quilts at night. Seems the entire state was undergoing strange and unseasonable weather. This did improve with each day with the daytime temperatures reaching the high 60's to low 70's. The wind however, did make it feel cooler.

Although the weather did have an impact on the usual outdoor activities that Dixielanders normally enjoy, such as sitting outside around our motorhomes chitchatting with friends about events since our last get-together and things we have done to our beloved GMC's, it was more than made up for by the hospitality of the Lazydays organization. All meals, of course, were provided by the rally park folks. Each evening proved to be a gala event. The meeting room proved to be our substitute to the outdoor activities and each evening turned into a wonderful event of intermingling with old and new friends. Our hosts provided the bonding atmosphere with the meticulous layout, delightful catered meals, including beer and wine for those so inclined, and superb entertainment. Judy and I spent more time on the dance floor during our 3-nights at this rally than we have the entire year, but I'll have to admit that we were outdone by Paul and Barbara Frisz.

By my unofficial count, we had 22 Dixielanders in attendance including day visits by the Samsels and the Trivetts who both were spending their winter time close by. Judy and I were also able to spend and enjoy time with a couple of our newer member families; Art and Doris Mansfield and Bobby and Faye Williamson.

Unfortunately, as with all good things, they come to an end. Thursday morning rolled around and everyone began leaving. Judy and I were only going a couple of hours down the road to spend more time at Winter Haven with several of the other Dixielanders, so we took our time leaving and were able to say goodbye to many of the early departures.
